Tommy Self-Serve Purple Presoak

Technical Data Sheet

Tommy Self-Serve Purple Presoak is a high-pH, high-foaming detergent that produces a pleasant citrus scent. Creating colorful purple foam, this detergent loosens up and removes oily road grime, bird droppings, and bugs from vehicle surfaces.

Features:

- High-foaming, high pH product blended with purple foam and a citrus scent
- Fantastic prep solution for eliminating bugs and bird droppings
- Biodegradable with no phosphates or surfactants

Directions for use:

- Self-serve recommended settings: dilute between 1:48-75
- Bug prep recommended settings: dilute between 1:20-37
- Rinse product off completely

This product is biodegradable and does not contain phosphates or surfactants. Tailored for self-serve tunnels and it can also be used as a bug prep solution in express tunnels and in-bay automatic washes. Guests should rinse this product off completely before exiting.
